Signed: _____ Date: _____

Festival of Trees, c/o April Buonamici, 110 Bennett Drive, Bozeman, MT 59715

Phone: 599-5398

Designer Guidelines

**** The trees will be moved to the purchaser fully decorated. For that reason, we ask that you follow these guidelines. Please limit the height of trees to 7.5 feet for ease of transportation.

Design - The Festival of Trees is proud of its reputation for showcasing elegantly decorated trees, wreaths, swags and other Holiday accoutrements. Our decorations will be displayed in homes and businesses. **Tree stands and tree skirts must be included for every tree.** A bag for moving the trees will be provided and will be placed under the stand/skirt in such a way that it will be easily used to wrap the tree for transport.

Lighting - Use only quality U.L. approved lights that stay lit even if one bulb goes out, at least a hundred lights per tree, **each secured with wire to the branches for transportation purposes.**

Decorations - **Decorations must be secured to tree with wire.** Live materials and perishable food are prohibited. Design tree toppers for easy transport. Trees may be decorated before delivered to us, or you may decorate them at the GranTree ballroom on **Wednesday, November 16th** before 5pm.

All entries who submit this completed form by the November 1 deadline will receive 1 free complimentary ticket to the Festival.
